

STAR VALLEY SCHOOL

PROSPECTUS

Our Inspiration

Origin of the School

Star Valley School is a proud and visionary addition to the educational legacy of Smt. Soniya Devi Induriya Smriti Shiksha Samiti. Under the guidance and inspiration of our Founder Member, Shri Laxmi Narayan Induriya, the Samiti has been dedicated to the cause of nation-building through quality education.

The Samiti has already established two successful institutions—Swami Vivekanand School, Daganiya and Swami Vivekanand School, Choubey Colony—both of which are deeply rooted in the teachings and philosophy of Swami Vivekananda. These schools focus on character building, self-discipline, spiritual growth, and intellectual development—principles that Swami Vivekananda stood for.

Building on this strong foundation, Star Valley School, Amlidih, emerges as a new beacon of learning and values within the SVS family, under the dynamic leadership of Mr. Rahul Singh Induriya, Director of the school. Star Valley is more than a school—it is a space where each child is recognized as a unique and brilliant star, ready to be nurtured and guided to their fullest potential. An accomplished academican with an MBA from London, Mr. Induriya is not only the strategic

backbone of the management committee of Swami Vivekananda Senior Secondary School but also a socially conscious leader deeply connected to the aspirations and educational needs of the community.

With a keen understanding of the evolving demands of 21st-century education, he recognized the urgent need for a modern institution that blends academic excellence with global perspectives and moral grounding. His vision was clear—to create an environment where children can grow into confident, capable, and conscientious individuals.

Guided by this mission, and supported by the enduring legacy of Smt. Soniya Devi Induriya Smriti Shiksha Samiti, & Shri Laxminarayan Induriya Ji, Mr. Rahul Singh Induriya embarked on the journey to establish Star Valley School in the heart of Amlidih, Raipur—a school that stands apart for its state-of-the-art infrastructure, including smart classrooms, digital learning tools, a swimming pool, and modern amenities.

Today, Star Valley School is not just a school—it is the realization of a dream to make world-class education accessible to every child in the region.

Why 'Star Valley'?

The name Star Valley embodies our belief that every child is a star—born with immense potential, brilliance, and individuality. Our mission is to nurture these golden stars with the finest education and joyful experiences, helping each one shine in their unique way. We create an environment where students not only study but also dance, play, eat well, explore nature, and most importantly, grow into confident, enlightened individuals—our real-life stars.

Our Identity

The Star Valley School logo blends two meaningful elements:

A Star, representing the vast universe and the infinite potential of our students.

A Valley, symbolizing nature, nurturing, and peaceful growth.

Together, they reflect our vision of unifying brilliance with balance—creating an inspiring space where students can rise and excel in life.

Vision

At Star Valley School, we rise every day with a firm belief:

"Every child is a star—born to rise, born to shine."

To emerge as a center of excellence in education where innovation meets tradition, and every child is empowered to "Rise for Excellence"—intellectually, emotionally, physically, and ethically. We envision nurturing young minds into responsible global citizens through values-based education and futuristic learning environments.

Mission

- To provide a stimulating, safe, and inclusive environment where students explore, learn, and thrive.
- To integrate cutting-edge infrastructure—smart classrooms, science labs, e-learning tools, and a modern swimming pool—to enhance both academic and co-scholastic development.
- To foster character-building, critical thinking, and a spirit of inquiry through experiential and activity-based learning.
- To ensure real-time parental engagement through digital tools such as online attendance, progress tracking, and communication platforms.
- To instill values of discipline, respect, compassion, and a love for lifelong learning.

Objectives

Academic Excellence

To offer a well-balanced, comprehensive curriculum that meets national standards and prepares students for success in academics and life.

Holistic Development

To encourage participation in sports, arts, music, and swimming—fostering all-round personality growth.

Digital Empowerment

To seamlessly integrate technology in education with features like smart classes, online attendance, digital homework submission, and learning management systems.

Safe and Supportive Environment

To maintain a secure and nurturing atmosphere with CCTV surveillance, well-trained staff, and a student-first policy.

Environmental & Social Responsibility

To cultivate awareness and responsibility toward nature, society, and the nation through eco-friendly practices and community outreach programs.

Skill-Based Learning

To promote 21st-century skills like communication, collaboration, creativity, and problem-solving from an early age.

Our Logo

The emblem of Star Valley School is a shield-shaped insignia—bold, balanced, and deeply symbolic. Each element has been thoughtfully designed to reflect the school's vision, mission, and unwavering commitment to excellence in education.

★ The Shield

At the heart of the logo lies a shield, symbolizing protection, strength, and resilience. It represents the school as a safe haven where every child is nurtured, guided, and prepared to face life's challenges with courage and character.

★ School Name at the Top

Crowning the shield is the name "Star Valley School", a proud declaration of identity and promise. It stands tall as a mark of trust and emerging excellence in the educational landscape of Raipur.

★ Rising Sun (Top of the Shield)

The rising sun inside the shield represents hope, positivity, and enlightenment. It signifies the beginning of a bright future—one that starts each morning with knowledge, discipline, and purpose.

★ Valley with Flowing River

Beneath the sun lies a picturesque valley with a flowing river, symbolizing the continuous journey of growth, exploration, and harmony with nature. The river embodies the unending flow of knowledge, nourishing young minds and shaping them with time.

★ "SVS" – Central Monogram

At the center, the bold letters "SVS" (an acronym for Star Valley School, and a nod to its founding lineage under Swami Vivekananda Senior Secondary School) represent the core identity and continuity of educational excellence carried forward.

★ Open Book (Base of the Shield)

At the base lies an open book, the universal symbol of learning, wisdom, and intellectual awakening. It affirms that education is the foundation upon which all progress stands.

★ Stars Flanking Both Sides

Framing the shield are stars on both sides, signifying guidance, aspiration, and the boundless potential of every student. They represent the light that leads learners toward greatness, echoing the very name of the school.

★ Ribbon with School Motto

Beneath the shield flows a ribbon bearing the school's powerful motto:

★ "Rise for Excellence"

This encapsulates the spirit of the institution—a call to action for every student to reach higher, strive harder, and grow wiser in pursuit of their dreams.

Our Motto:

The motto "Rise for Excellence" is more than just words—it is a call to action, a daily reminder, and a guiding philosophy at Star Valley School.

"Rise"

Symbolizes growth, awakening, and elevation.

- Encourages students to rise above mediocrity, above challenges, and above expectations.
- Represents not just academic growth, but moral, emotional, and personal elevation.
- Reflects the rising sun in our logo, signifying the start of every learner's journey with purpose and light.

"For Excellence"

- Denotes pursuit, not perfection—a continuous journey toward being better than yesterday.
- Excellence here means not only scoring high marks but being excellent in character, creativity, communication, and compassion.
- It motivates students and educators alike to set higher standards and consistently work toward surpassing them.

The Deeper Message

At Star Valley School, we believe that every child carries within them an innate light—a potential waiting to be awakened. Our motto urges them to rise each day, each term, each challenge—with dignity, with discipline, and with a desire to excel.

Whether it is in academics, sports, arts, behavior, or innovation—we rise not to compete, but to contribute; not to impress, but to inspire with excellence

From the Management's Desk

L. N Induria
Founder, SVS

Rahul Induria
Director, SVS

With great pride and a deep sense of purpose, we welcome you to Star Valley School, Amlidih—a beacon of learning, growth, and holistic development under the banner of Smt. Soniya Devi Induriya Smriti Shiksha Samiti.

Our journey in the field of education began with the visionary leadership of Shri Laxmi Narayan Induriya Ji (Ex-Minister), the Founder of the Society and Schools. His commitment to empowering the younger generation through quality education laid the foundation for institutions built not only on knowledge, but also on values, discipline, and service to society.

Following in his noble footsteps, Mr. Rahul Singh Induriya, a devoted educationist with over two decades of experience, has taken this mission forward with passion and dedication. His active leadership has been instrumental in establishing Star Valley School as a new-age learning environment that honors tradition while embracing innovation.

At Star Valley School, we believe that every child is a star, and our goal is to nurture these young minds in a setting that inspires learning, curiosity, creativity, and character. We aim to create an atmosphere where education is joyful, inclusive, and meaningful—guided by the teachings of Swami Vivekananda, whose ideals continue to shape our vision.

We thank you for placing your trust in us and look forward to shaping bright, responsible, and compassionate citizens of tomorrow.

With warm regards,
Shri Laxmi Narayan Induriya Ji
Founder & Ex-Minister

Mr. Rahul Singh Induriya
Director
Star Valley School, Amlidih

From the Principal's Desk

Dear Parents and Students,
Welcome to Star Valley School, Amlidih—a new chapter in the legacy of Smt. Soniya Devi Induriya Smriti Shiksha Samiti. Rooted in the guiding values of Swami Vivekananda, and supported by the success of Swami Vivekanand Schools in Daganiya and Choubey Colony, our mission is to nurture young minds through holistic, value-based education.

At Star Valley, we believe that every child is a star, born with unique potential. Our aim is to create a joyful, inclusive, and dynamic environment where students not only excel academically but also grow emotionally, creatively, and morally.

With a perfect blend of learning and life skills, supported by a dedicated team of educators, we are committed to shaping confident, responsible, and compassionate individuals who are ready to shine in the world.

We look forward to partnering with you in this inspiring journey.

Warm regards,
Principal
Star Valley School, Amlidih

Why Choose Star Valley School for Your Child?

Dear Parents,

Choosing the right school is one of the most important decisions you will make for your child's future. At Star Valley School, Amlidih, we understand that your child deserves more than just education—they deserve a place where they are nurtured, valued, and empowered to shine.

Here's why Star Valley School stands apart from the rest:

A Legacy of Visionary Leadership

Founded under the guidance of Shri Laxmi Narayan Induriya Ji (Ex-Minister) and led by Mr. Rahul Singh Induriya, a passionate educationist with over 20 years of experience, our school is part of a trusted educational family known for its values, commitment, and excellence.

Inspired by Swami Vivekananda

Our foundation is rooted in the timeless teachings of Swami Vivekananda, focusing on character building, discipline, and inner strength. We not only educate minds but also build strong values and leadership qualities in every student.

Holistic Development, Not Just Academics

At Star Valley, we believe that every child is a star. Our approach balances academics with sports, arts, music, dance, life skills, and values education—ensuring all-round development that prepares your child for life, not just exams.

Safe, Nurturing & Modern Campus

We offer a clean, secure, and eco-friendly campus equipped with modern classrooms, smart learning tools, interactive teaching methods, and ample space for extracurricular growth—all in a peaceful and inspiring environment.

Qualified & Caring Educators

Our teachers are more than instructors—they are mentors who care deeply about each child's progress. With regular training and a personalized approach, our staff ensures that no child is left behind.

Strong Parent-School Partnership

We believe education is a shared journey. Through regular communication, open interaction, and active involvement, we build a strong bond with parents to support each child's growth.

At Star Valley School, we don't just teach children—we help them discover who they truly are.

We invite you to join our growing family and give your child the gift of an education that empowers them to rise, shine, and succeed with confidence and values.

Warm regards,
Team Star Valley School, Amlidih

Facilities at Star Valley School, Amlidih

A Modern Learning Environment for Future-Ready Education
At Star Valley School, Amlidih, we provide more than just an education—we offer an environment designed to spark curiosity, build confidence, and nurture every aspect of a child's growth. Our campus is equipped with the latest infrastructure and learning tools, making it a safe, inspiring, and dynamic space where students can thrive.

Advanced Science Laboratories

Our school houses three fully equipped, state-of-the-art science labs for Physics, Chemistry, and Biology, where students perform hands-on experiments aligned with the curriculum.

Physics Lab:

Includes lenses, mirrors, pendulums, inclined planes, electrical circuits, multimeters, and optical kits to explore mechanics, electricity, sound, and optics.

Chemistry Lab:

Features titration setups, reagents, fume hoods, digital balances, burettes, and heating equipment for experiments in organic, inorganic, and physical chemistry.

Biology Lab:

Offers microscopes, preserved specimens, dissection kits, anatomical models, prepared slides, and live demonstrations for understanding cellular biology, human anatomy, and botany.

All labs prioritize safety, with trained lab assistants, fire extinguishers, proper ventilation, and protective gear.

Computer Lab with AI Focus

Our modern computer lab is equipped with the latest hardware and high-speed internet, designed to teach students everything from basic IT skills to coding and Artificial Intelligence (AI) applications. Students gain exposure to digital tools that prepare them for future careers in technology and innovation.

Language and Mathematics Labs

Language Lab: Designed to develop listening, speaking, and pronunciation skills using audio-visual content and interactive modules for English and other languages.

Mathematics Lab:

Makes abstract concepts tangible using models, puzzles, and hands-on activities that encourage logical thinking and problem-solving.

Rich & Dynamic Library

Our well-stocked library includes:

Academic reference books

Fiction and non-fiction

Competitive exam guides

Encyclopedias and journals

Digital resources

It is a quiet space that fosters a love for reading, research, and independent learning.

Safety & Hygiene all science labs are:

Supervised by qualified lab assistants and science teachers Equipped with first-aid kits and fire extinguishers Sanitized regularly with proper waste disposal systems for chemicals and biological material

Health & Hygiene Facilities

Clean RO Drinking Water Stations across the campus
Separate, sanitized washrooms for boys and girls
Regular cleaning and hygiene monitoring by trained staff

Safe & Monitored Transport

Our school transport system is equipped with:

GPS tracking

Onboard CCTV cameras

Trained attendants and drivers

Regular maintenance and safety checks

This ensures peace of mind for parents and complete safety for students during transit.

Robust Security & Surveillance

24x7 security personnel at all entry and exit points
CCTV surveillance across the entire school premises
Visitor management system and emergency response protocols

Clean & Green Campus

Our campus is designed to be eco-friendly, with:
Green zones and play areas
Pollution-free environment
Awareness programs on sustainability and cleanliness

Smart Classrooms:

Where Technology Meets Learning
At Star Valley School, Amlidih, education goes beyond textbooks. Our Smart Classrooms are designed to make learning more engaging, interactive, and effective—bridging the gap between traditional teaching and modern innovation.

classroom is equipped with:
Interactive Smart Boards
Projectors and Audio Systems
Digital Content and Multimedia Resources
Wi-Fi-enabled Devices for Teachers
Real-time Visual Aids and Animated Lessons

Medical Facility

- Immediate care for minor injuries, illness, or discomfort
- Stocked with essential first-aid supplies: antiseptics, bandages, pain relievers, thermometers, ice packs, etc.
- Separate resting cot/bed for unwell students
- Health monitoring equipment like digital thermometers, BP monitors, and pulse oximeters

Firefighting System & Equipment

Fire Extinguishers (ABC and CO₂ types) installed at key points across the school—classrooms, labs, corridors, offices, library, and common areas

Fire Alarm System for immediate alerts in case of smoke or fire detection

Smoke Detectors and Heat Sensors for early warning

Fire Hose Reels and Water Hydrant Points strategically placed for larger emergency response

Clearly marked emergency exit routes and fire evacuation maps in every block

Trained Staff & Emergency Protocols

All staff members are trained in the use of fire extinguishers and basic fire response procedures. Regular fire drills are conducted to ensure that students and staff know how to evacuate safely and calmly. A dedicated safety team monitors compliance and readiness throughout the year.

Inter-School, Inter-House & CBSE Sports Competitions

At Swami Vivekanand School, sports and physical activities are given equal importance along with academics. The school regularly organizes Inter-House Sports Competitions, providing every student an opportunity to participate, explore their potential, and develop qualities of teamwork, discipline, and leadership.

The school also conducts Inter-School Sports Competitions, inviting participation from reputed institutions. These events give our students exposure to a wider platform, encouraging healthy competition, sportsmanship, and excellence in various disciplines such as Carrom, Chess, Table Tennis, Badminton, Basketball, Kabaddi, Kho-Kho, Cricket, and Football.

In addition, our students actively participate in CBSE Sports Competitions held at different parts of the country, which provides them an opportunity to compete at regional and national levels, further enhancing their confidence and sporting skills.
